

Navigating the GAK Digital Website

NOTE: General information on navigating the website is given first. A link to the Election Lists is at the end of this document.

From the homepage <http://arxeiomnimon.gak.gr/index.html>, the various archive offices are listed on the left.

If you click on Archives of Lakonia, you will see a list of items. You would then click on the name of each item to see what each contains. However, **only those items that have digital images will have a yellow file folder and a + next to the name, and for Lakonia, it is this one:**

Note the British flag for some English translation

The image shows the 'Archives of Laconia' collection page. At the top, there is a search bar and a 'Search' button. Below this, the 'CLASSIFICATION SCHEME' section lists the repository 'GRGSA-LAK' and the collection 'Archives of Laconia'. A red arrow points to the 'Archives of Laconia' entry. Below the classification scheme, there are tabs for 'Elements of description', 'Contents', and 'Reproductions'. The 'Elements of description' tab is active, showing a breadcrumb trail: 'IDENTITY STATEMENT AREA > CONTENT AND STRUCTURE AREA > ALLIED MATERIALS AREA >'. Below this, there is a language selection dropdown set to 'English'. The 'IDENTITY STATEMENT AREA' section contains the following information: Reference code: GRGSA-LAK_EDU076; Title: Αρχείο Δημοτικού Σχολείου Σκάλας; Dates: 1914-1947; Level of description: Fonds; Extent and medium of the unit of description: χειρόγραφα Βιβλία. The 'CONTENT AND STRUCTURE AREA' section contains: Scope and content: Το Αρχείο περιλαμβάνει 15 χειρόγραφα Βιβλία (Μαθητολόγια, Γενικούς Ελέγχους, Ταμείου, Πρωτόκολλα Αλληλογραφίας). The 'ALLIED MATERIALS AREA' section contains: Existence and location of originals: Archives of Laconia.

When you see a listing with a grey icon, it means that there are no digital images online.

Existence and location of originals: Archives of Laconia

You will see that the Contents and Reproductions tabs are grey. That means there are no digital images and the only information is what is shown on the page, which is the Elements of Description.

See the bottom, where it says Existence and location of originals: Archives of Laconia. I believe this means that these materials are physically at the Archives, so none are online yet.

NEXT,

The Electoral Rolls are found under the **Central Services Archive** (listed at the **top** on the left side).
